PROFESSIONAL EXPERIENCE

Simplify VMS (Product-Based Enterprise SaaS) — Nov 2024 – Present

Senior UX Designer · Product AI UX Engineer

- Lead end-to-end UX design strategy for core features of a complex enterprise SaaS product.
- Design AI-native experiences with explainable, editable and overridable AI, including AI-assisted hiring and interview workflows.
- Manage and mentor an internal team of UX designers, running design reviews to keep quality, cohesion and brand standards consistent.
- Architect and scale centralized design systems and reusable component libraries in Figma to speed up design-to-development handoff.
- Ensure designs comply with accessibility best practices (WCAG 2.1) for global compliance and inclusivity.

Case study: ilayanila-ux.vercel.app

DreamOrbit Softech Pvt Ltd | Bangalore — Dec 2021 – Oct 2024

Senior UI/UX Designer

- Delivered user-centric design solutions for high-impact Fintech and Logistics products.
- Key project portfolio: TransUnion CIBIL, Axis Bank, Equifax, CRIF Connect, Leadspeed and Portfolio BI.
- Led corporate client calls to gather requirements and turned complex stakeholder visions into intuitive interface layouts.
- Analyzed qualitative and quantitative research to define personas, ecosystem maps and key user flows that guided product roadmaps.
- Mentored junior designers and fostered a collaborative design environment.

4i Apps Solutions Private Limited | Chennai — Mar 2021 – Aug 2021

UI/UX Designer

- Conducted user research, including interviews and structured usability testing, to resolve critical friction points.
- Designed accessible, polished interfaces aligned with established corporate brand identities.
- Iterated on layouts using user behaviour data and product usage metrics to sustain UX optimization.

Realtekh Software Services Pvt Ltd | Chennai Sep 2019 – Feb 2021

UI/UX Designer

- Partnered with agile cross-functional engineering and product teams across EdTech, E-commerce and SaaS.
- Applied design thinking to translate user needs into practical design concepts.
- Created wireframes, interactive user flows and pixel-perfect high-fidelity mockups for web, mobile and digital products.

Anoushka Commodities Private Limited | Chennai Jul 2017 – Sep 2019

UI Designer

- Translated client functional briefs into clean low-fidelity wireframes and structured visual concepts.
- Developed high-fidelity mockups with refined visual design, precise typography and brand imagery layouts.
