PROFESSIONAL EXPERIENCE

Senior UX Designer and Product AI UX Engineer

Nov 2024 – Present

Simplify VMS, Enterprise SaaS (Product-Based)

- Lead end-to-end UX design strategy for core features of a complex enterprise SaaS product.
- Drive AI transformation and 0-1 design of an AI-native platform, reverse-engineering legacy workflows into simpler, role-based experiences.
- Design AI-native experiences with explainable, editable and overridable AI, including AI-assisted hiring and interview workflows.
- Manage and mentor a team of UX designers, running design reviews to keep quality, cohesion and brand standards consistent.
- Architect and scale centralized design systems and reusable component libraries in Figma to speed up design-to-development handoff.
- Ensure designs meet accessibility best practices (WCAG 2.1) for global compliance and inclusivity.

Senior UI/UX Designer

Dec 2021 – Oct 2024

DreamOrbit Softech Pvt Ltd, Bangalore

- Delivered user-centric design solutions for Fintech and Logistics products.
- Key projects: TransUnion CIBIL, Axis Bank, Equifax, CRIF Connect, Leadspeed and Portfolio BI.
- Led client calls to gather requirements and turned complex stakeholder visions into intuitive interface layouts.
- Analyzed qualitative and quantitative research to define personas, ecosystem maps and user flows that guided product roadmaps.
- Mentored junior designers and fostered a collaborative design environment.

UI/UX Designer

Mar 2021 – Aug 2021

4i Apps Solutions Private Limited, Chennai

- Conducted user interviews and usability testing to resolve critical friction points.
- Designed accessible, polished interfaces aligned with corporate brand identities.
- Iterated on layouts using user behavior data and product usage metrics.

UI/UX Designer

Sep 2019 – Feb 2021

Realtekh Software Services Pvt Ltd, Chennai

- Partnered with agile engineering and product teams across EdTech, E-commerce and SaaS.
- Applied design thinking to turn user needs into practical design concepts.
- Created wireframes, interactive user flows and high-fidelity mockups for web and mobile products.

UI Designer

Jul 2017 – Sep 2019

Anoushka Commodities Private Limited, Chennai

- Translated client briefs into low-fidelity wireframes and structured visual concepts.
- Developed high-fidelity mockups with refined visual design, typography and brand imagery.

EDUCATION

Bachelor of Engineering, Mechanical | RRASE College of Engineering, Anna University, Chennai | 2013 – 2017

CERTIFICATIONS

UX Design Thinking (Alan Cooper) | Master Digital Product Design | UX Research and Usability Analysis
