TECHNICAL STACK	Figma (Advanced), Adobe XD, Sketch, InVision, Photoshop, After Effects, Jira

PROFESSIONAL EXPERIENCE

Simplify VMS (Product-Based Enterprise SaaS) — Nov 2024 – Present

Senior UX Designer

- Lead end-to-end UX design strategy for core product features within a complex, enterprise-level SaaS product environment.
- Manage and mentor an internal team of UX designers, conducting rigorous design reviews to ensure consistent quality, cohesion, and brand standards.
- Architect and scale centralized design systems and reusable component libraries in Figma to dramatically optimize design-to-development handoffs.
- Ensure all designs strictly comply with accessibility best practices (WCAG 2.1) for global compliance and inclusivity.

DreamOrbit Softech Pvt Ltd | Bangalore — Dec 2021 – Oct 2024

Senior UI/UX Designer

- Crafted and delivered user-centric design solutions for high-impact, industry-leading Fintech and Logistics products.
- **Key Project Portfolio:** TransUnion CIBIL, Axis Bank, Equifax, CRIF Connect, Leadspeed, and Portfolio BI.
- Led corporate client calls to gather requirements, translating complex stakeholder visions into intuitive, user-centric interface layouts.
- Analyzed qualitative and quantitative research data to identify precise user personas, ecosystem maps, and key user flows that actively guided product roadmaps.
- Mentored junior designers and fostered a high-performing, collaborative design environment.

4i Apps Solutions Private Limited | Chennai
Mar 2021 – Aug 2021

UI/UX Designer

- Conducted user research, including targeted interviews and structured usability testing sessions, to isolate and resolve critical user friction points.
- Designed highly accessible, visually polished interfaces precisely engineered to align with established corporate brand identities.
- Iterated continuously on product layouts based on real-world user behavior data and product usage metrics to ensure sustained UX optimization.

Realtekh Software Services Pvt Ltd | Chennai
Sep 2019 – Feb 2021

UI/UX Designer

- Partnered closely with agile cross-functional engineering and product teams spanning the EdTech, E-commerce, and SaaS sectors.
- Utilized systematic design thinking methodologies to translate fundamental user needs into elegant, practical design concepts.
- Created comprehensive wireframes, detailed interactive user flows, and pixel-perfect high-fidelity mockups for web, mobile, and digital products.

Anoushka Commodities Private Limited | Chennai
July 2017 – Sep 2019

UI Designer

- Successfully translated client functional briefs into clean low-fidelity wireframes and structured visual concepts.
- Developed premium high-fidelity mockups incorporating fine visual design elements, precise typography principles, and brand imagery layouts.
